

# Vee Interests LLC

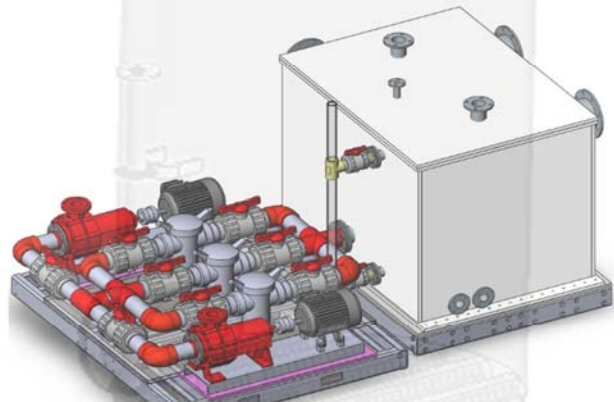

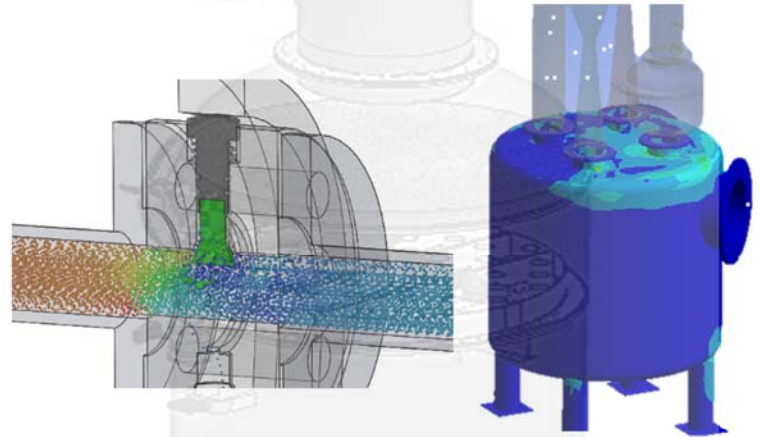

## Engineering Services

### Overview

Your problems are unique, so should be their solutions. Since inception, Vee's engineers have assisted in projects involving a wide variety of applications and across many different industries.

### SPECIALIZED EXPERIENCE

- Industrial Columns
- Non-Metallics
- Water Treatment
- Corrosion Prevention
- pollution Control
- Skid Mounted Equipment
- Thermoplastics
- Manufacturing Techniques

### INDUSTRIES SERVED

- PetroChemical
- Subsea
- Pharmaceutical
- Power Generation
- Semi-Conductor
- Water Treatment
- Renewable Energy
- Aerospace
- Refining

### CAPABILITIES

- In House Design
- 3D modeling
- Engineering Studies
- Stress Analysis
- Flow Analysis
- Manufacturing Studies
